

Your E-Compass of Business Success in Hong Kong

Welcome to Hong Kong!

In this vibrant and cosmopolitan city, everyone is committed to maintaining Hong Kong's prosperity and success. Its business-friendly operational environment and level playing field will enable your business to thrive and grow. Most importantly, Hong Kong is consistently rated by international institutions as one of the least corrupt cities in the world. That's why many foreign investors, like you, are attracted to build their businesses and home lives here.

This information pack provides you with an 'E-Compass' (i.e. an 'Ethical Compass') to point you in the right direction, and gives you the basics for starting your business smoothly in Hong Kong.
