

Three-pronged Approach

三管齊下的反貪策略

The ICAC adopts a three-pronged approach to fight corruption through law enforcement, prevention and community education. The Commission is empowered by law to discharge its statutory duties independently, and the Commissioner is directly answerable to the Chief Executive of the HKSAR. The success of the ICAC helps turn Hong Kong into one of the cleanest world cities. This owes much to the synthesis of Government determination, independence of the Commission, effective legislation, public support, international cooperation, professional and dedicated staff.

廉政公署採取三管齊下的策略，透過執法、預防及教育打擊貪污。廉署依據法律所賦予的權力，獨立運作，廉政專員直接向香港特別行政區行政長官負責。廉署有效打擊貪污，使香港蛻變為全球最廉潔的城市之一。香港的成功實有賴政府打擊貪污的決心，公署獨立自主的運作，有效的法制，社會大眾的支持，國際間的合作，以及一群專業而盡忠職守的員工。
